

10-15-85

10.3.8 v.3

ASH GROVE CEMENT WEST, INC.

Inter-Office Memorandum

Date October 15, 1985

To Erik Voldbaek

From Ken Rone

Copies to _____

Subject Activity Report
Week Ending 10/13/85

1. Toured cement barge "Santos", formerly Foss #201. It has been purchased by Bell Marine Co. of Sacramento. It carries 4500 tons and requires shore air. It will be available for northwest movements, but home ported in the Bay area.
2. M.V. "Apollo Ace" continues to unload at Kaiser Terminal.
- 10/85 3. Advised by Nellie Frank of her intent to resign as Clinker Club housekeeper at the end of the month. November
4. Received subpoena for documents relating to the costs, prices and transportation of cement and/or fly ash to Riedel International Inc.
- 10/85 5. Received invoice for one carload of Atlas White Cement in sacks. Next day rail car arrived. This cement was not ordered by AGCW. Lehigh representative, Mr. Gray, indicated to ~~Mr. Dash~~ that he would like to consign their product through us for 50¢/sack. Invoice ~~will be~~ discarded and we will now maintain two separate inventories and billing procedures for Atlas cement depending on who the customer is.
- 10/85 6. Representative of Industrial Risk Insurers inspected facilities.
- 10/85 7. Completed regrinding of 5800 tons of unmerchantable cement freeing up this inventory space and increasing our marketable cement by 5800 tons without clinker purchase.
- 10/85 8. Pled guilty in Federal Court to one criminal count of a violation of the Rivers and Harbors Act of 1899 and paid fine of \$5000.
9. No accidents, no visitors.
